

The Company

Sebert Landscape performs landscape construction projects, landscaping services, and more for commercial properties such as retail, industrial and health care facilities, schools and cities.

SEBERT IS A LEADER IN THE **COMMERCIAL** LANDSCAPE MAINTENANCE, SNOW PLOWING, AND LANDSCAPE CONSTRUCTION INDUSTRY.

Ready to join the Sebert team? We are currently hiring for;

Account Managers

The Account Manager is responsible for managing several crews, and for regular communication with clients through site visits, quality field reports and one-on-one meetings. Good relationship management skills will help with providing enhancement proposals and retaining existing accounts and in developing new prospects to meet Sebert growth goals.

Maintenance Supervisors & Snow Commander

The Maintenance Supervisor Manager is a hands-on position that will manage crews, including managing commercial landscape maintenance service schedules. This person will need to understand quality, safety, service and what it takes to surpass customer expectations. As a snow commander, this position is aligned with the day-to-day activities of a maintenance supervisor. It also oversees the winter removal crews and service providers to ensure removal is efficiently and correctly.

Maintenance Field Laborers: Team Leaders and Laborers

Maintenance Team Lead—Ability to operate a truck and trailer. Responsible and able to lead a team by giving direction and guidance. General requirements that include but not limited too--- mowing, trimming, pruning, pulling weeds, installing mulch, communication with the supervisor and Account Manager. Equipment maintenance (oil change, blade change, washing of equipment and trucks)

Maintenance Laborer—general requirements that include but not limited too--- mowing, trimming, pruning, pulling weeds, installing mulch, communication with the team lead and supervisor. Assist with Equipment maintenance (oil change, blade change, washing of equipment and trucks)

Why Should You Apply

Paid Weekly, Paid Holiday's, Health Care Benefits and more!
